Bible Study 6 –The Call of Abram

Genesis 12:1 - 9 (Read from the International Children's Version)

1. What would you do if the Lord appeared to you right now?
2. Who did the Lord appear to in this story?
3. If the Lord did appear to you, what would you say to Him?
4. If the Lord told you to do something very important, would you do it?
5. What important thing did the Lord tell Abram to do in our story?
6. In this story, is the Lord "Jesus" or "God the Father"?
7. The Lord told Abram that He would make him into what? What do you think God meant? Do you think that He was going to turn Abram into a country?
8. The Lord said that He would bless Abram. What is a blessing?
9. The Lord said, "I will curse those that curse you". What is a curse?
10. The Lord said that He would make Abram great. Would you like it if God told you that He would make you great? How do you think you would act if he did—good or bad?
11. Have you ever had to move before? Was it far away from where you used to live?
12. The Lord told Abram to take his family to the new country that He wanted Abram to have. How would you feel if you had to move because God wanted you to? Would you do it?
13. Has God ever asked you to do something, either big or small? Did you do it?
14. Would you like to hear from God right now?
15. Sing a worship song with the children. Have them close their eyes and really sing to the Lord. Then have them sit quietly for a short time, then ask them if the Lord spoke to any of them, and if they would like to share it.
